

CLAY BUS TRIP 2018

“Wherever we go, We Are MNO!”

In 2018, our journey takes us to CLAY in Thunder Bay! “Threads” is the theme, and we wind our way there from various places, weaving stories together into a fabric that is MNO Synod! We know that there are strands among us who want to travel far and wide; we also know that hospitality and welcome are part of the fiber of our being! In an effort to make an MNO Bus Trip experience that would meet a number of needs, we have come up with two options!

Please: travel as a home team, register as a home team. Work with neighbouring communities to connect (*thread!*) home teams if there are individuals wanting different experiences.
