

Manitoba/Northwestern Ontario Synod
of the Evangelical Lutheran Church in Canada

IMPLEMENTATION POLICY of the Policy for the Protection of Children, Youth and Other Vulnerable People of the Evangelical Lutheran Church in Canada August, 2007

The Manitoba/Northwestern Ontario Synod (MNO Synod) has a mandate to minister to individuals, families, adults, youth and children. In that context, the MNO Synod stresses the sanctity of human life and the importance and worth of each individual as a child of God.

The physical and sexual abuse of children has increasingly and properly claimed the attention of our society. In response, it is the commitment of the MNO Synod to provide reasonable protective care to all children, youth and other vulnerable people involved in ministries or programs of the MNO Synod.

Childhood innocence is a gift given by God. Children are naturally trusting. Children readily place their faith in adults who care for them. It is our responsibility as a church to safeguard that trust.

The MNO Synod adopted the Policy for the Protection of Children, Youth and Other Vulnerable People of the Evangelical Lutheran Church in Canada dated March, 2004 by the following motion:

MSC Ex-Feb-07-03 that we approve the adoption of the ELCIC Policy "Protection of Children, Youth and Other Vulnerable People".

The MNO Synod will implement this policy in the following ways:

Regarding Youth Leaders

(attached as Appendix A-1);
 - b. Current Criminal Records Check, within the last 4 years
(see Appendix B).

2. Signed Activity Permission Forms (attached as Appendix C) and Medical Permission Forms (Attached as Appendix D) are received prior to the event.
