

CAMEROON APPEAL 2019

This mission partnership is an accompaniment style relationship in which the focus is not only on the sharing and providing of resources, but also on creating and strengthening relationships between the

Evangelical Lutheran Church of Cameroon (EELC) and the MNO Synod.

MNO has been supportive of a number of very specific ministries in Cameroon:

- We support “Kids in Cameroon” (formerly known as “Kids Helping Kids”)– a program to help orphaned and underprivileged children receive an education, and some basic food.
- We encourage women in ministry in the Lutheran church. The first ordination of the EELC’s Women clergy took place in 2012, with Bishop Elaine and Pastor Carol Janke privileged to attend and take part. Now we are engaged in continuing to offer support and guidance to these women.
- Along the way, we have also given support to some of the schools that are run by the EELC. Specifically, we plan to provide material support to catechists and theological students receiving training at the Lutheran School for Biblical and Theological Training in Garoua-Boulai.
- We also aim to provide financial support to the Lutheran School of Garoua- Boulai, to support the educational needs of teachers and students.

In these, and other ways, this year’s Appeal will support our Global Companion Synod relationship with the EELC.
